

PORTABLE WARMING FOR EVERY ENVIRONMENT

UniqueResc+ R130 Patient Warming System

Portable, Sustainable, and Cost-Effective Warming Solutions for Military, EMS, and Healthcare.

WHY CHOOSE UNIQUERESC+ R130?

- **Promotes Normothermia:** Helps stabilize body temperature, improving recovery and reducing complications.
- **Designed for diverse environments:** Effective in military operations, EMS vehicles, and certain medical facilities.
- **Approved Airworthiness Release (AWR):** Meets essential regulatory requirements for carry-on use in aircraft, ensuring compliance and adaptability in flight environments.
- **Eco-Friendly Solution:** Reusable design reduces waste and supports sustainability goals.
- **Portable and Adaptable:** Compatible with battery, AC, and vehicle power for seamless use anywhere.

UniqueResc+ R130 w/ Medical Grade AC~ DC (110~240V) Power Supply

*Products shown sold individually

Wherever you need reliable warmth—from EMS vehicles using vehicle power to field hospitals — the UniqueResc+ R130 provides dependable, portable heating. Its reusable, eco-friendly design supports sustainability goals while offering versatile power options for critical care. Pair it with our accessories (see next page) to easily adapt the R130 to any environment, ensuring top-tier safety, efficiency, and cost-effectiveness.

Medical Grade AC~ DC (110~240V) Power Supply

RGMD Part Number: 82009
NSN: 6130-01-600-0763

Vehicle Auxiliary Power Cable

RGMD Part Number: 82019
NSN: 6130-01-600-0762

Battery UBI-2590 Lithium Ion

RGMD Part Number: 82039
NSN: 6140-01-553-3527

2590/5590 Battery-Out Cable

RGMD Part Number: 82024
NSN: 6150-01-600-1811

Battery Harness and Carabineer

RGMD Part Number: 82026
NSN: 6160-01-600-0758

2590 Battery charger

RGMD Part Number: 82025
NSN: 6130-01-600-0031

Soft Case

RGMD Part Number: 82037
NSN: 6532-01-600-1818
